

INTRODUCING THE RICHIE GAUNTLETS!

The most trusted name in functional AFOs is pleased to announce the launch of the Richie Gauntlet™ line of products.

FINALLY, A FUNCTIONAL GAUNTLET FROM A NEUTRAL SUSPENSION CAST!

FEATURES:

- Medial and Lateral Arch Suspender*: Legitimate Varus/Valgus control of the hind foot
- Fulfills true definition of Code L2275
- Neutral Suspension Casts Accepted: No need for casting boards!
- Non-weight bearing cast provides better heel and arch contour
- All casts are intrinsically balanced to correct forefoot varus/valgus deformities

*US. Patent No. 6,602,215

THE *Richie*
